jail is empty. The chickens have flown the coop, and Sheriff Schellpeper kind of scratches the back of his neck and says, I wonder how in the world that happened. I'm trying to tell Sheriff Schellpeper what the liquor industry is doing, and making it clear that my colleagues may go along with the sheriff as his deputies, but I shall not. So my motion is to strike all of what is designated as Section 6 in this committee amendment.

SENATOR CROSBY: Thank you, Senator Chambers. Mr. Clerk, do you have items for the record?

CLERK: I do, Madam President. Transportation Committee reports LB 820 to General File, (LB) 74 General File with amendments, (LB) 302 General File with amendments. Education, LR 20 to General File, (LB) 713 indefinitely postponed, (LB) 716, (LB) 769 indefinitely postponed. Priority bill designations: Senator Brashear LB 299, Senator Engel LB 539, Senator Schrock (LB) 605, Senator Hilgert (LB) 176. Finally, Madam President, Transportation Committee will have an Executive Session at ten-thirty underneath the north balcony. That's all that I have. (See pages 950-951 of the Legislative Journal.)

SENATOR CROSBY: Thank you, Mr. Clerk, and before continuing the discussion, Senator Smith announces that he has some guests under the north balcony, Cindy and Aimee Blauvelt from Scottsbluff and David Berry from Gering. Will you all stand and be recognized by your Legislature. Thank you. Discussion on the Chambers amendment, Senator Schellpeper.

SENATOR SCHELLPEPER: Thank you, Madam President and members. I rise to oppose the Chambers amendment. It's an issue that we talked about the last time that this bill was up, and it was defeated. Basically, it's the same amendment, and rather than to go through and to challenge the rules and every thing, I think we'll just oppose this bill. We made some drastic changes into the original committee amendments. I think it's into more to what Senator Chambers, his concerns were. With all the concerns that were raised the other day that we talked about, they've all been addressed. This section, right now, all we're saying is that it's pursuant to guidelines adopted by the State Patrol in conjunction with the liquor commission, and I think that is something. We need to have the same guidelines across
